

## Proof of funding

In order to have your application for admission assessed, you are required to provide supporting documents showing your financial ability to cover both the tuition fee and living expenses for the first full academic year.

[You can read more about tuition and living expenses here.](#)

Please fill out and upload page 2 of this form, together with your supporting documents, to [the application portal](#).

*Some applicants may be exempt from paying tuition. This will only apply to persons who already hold a residence permit in Norway, or have lived and studied or worked in Norway, or are UK citizens who moved to Norway prior to 2021. [You can read more about exemptions from tuition here](#). If you believe that you qualify for exemption, please contact us at [admission@inn.no](mailto:admission@inn.no).*

### What sum must I be able to document?

You must document funding for tuition and cost of living for one full academic year. The sum of tuition depends on the programme you are applying to. You can find an overview of the required sums per programme here: <https://www.inn.no/english/study-opportunities/incoming-full-degree-students/required-documents/#funding>

INN University's provider of bank services is DNB. [You may consult their website to find exchange rates](#).

### When do I transfer funds?

You are **not** required to transfer any funds as part of the application process. If you are offered admission, you will receive an invoice for the first year's tuition. The payment deadline will be provided on the invoice.

Please be aware that tuition must be paid before you are able to enroll as a student. Furthermore, to have your residence permit application assessed by the Norwegian Department of Immigration (UDI) you must have paid tuition.
